

## SWEETWATER UTILITIES BOARD JOURNEYMAN LINEMAN

Sweetwater Utilities Board seeks a Journeyman Lineman for the construction, maintenance and repair of our electric distribution facilities.

### KEY TASKS & RESPONSIBILITIES:

- Climb poles when required and operate aerial equipment such as bucket truck to work energized or de-energized lines
- Know the switching of circuits on the system and know how to operate various pieces of equipment used in power distribution, use locator & mark UG lines and troubleshoot as required
- Be a crew leader when a Working Foreman is not present and assist in the training of Apprentice Lineman on the installation and maintenance of lines and the proper use of tools and equipment

### JOB REQUIREMENTS:

- Acquiring and maintaining CDL license
- Able to safely work and direct work under potentially hazardous conditions and in various weather conditions, some of them adverse
- Able to take instructions, communicate and interact in a professional manner with co-workers, and others
- Ability to physically perform above-stated tasks in a safe and efficient manner and able to do occasional heavy lifting as needed
- Education equivalent to completion of the 12<sup>th</sup> grade
- Have completed an Apprentice program comparable to TVPPA Apprentice Program with copies of completion certificates
- Be on call as needed for stand-by duty and must live near-at-hand to our central Electric Warehouse to facilitate prompt response time for call-out

The Lineman position offers great pay and benefits, including medical, dental, vision, life insurance, disability, paid time off, paid holidays and a 401(a) plan with company match. Sweetwater Utilities Board is a non-union company and does not accept resumes from third-party recruiters.
